

**Boil Water Notice for Community Public Water Systems
February 26, 2025**

Due to a distribution line break on the main water line feeding 2028 Hutchings to US 67 West and County Road 259 on February 26, 2025, the City of Ballinger's water distribution system experienced low water pressure and the Texas Commission on Environmental Quality has required the CITY OF BALLINGER, PWS # 2000001 to notify customers living or working in this area to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc). Children, seniors, and people with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions).

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to use for drinking water or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may buy bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

When it is no longer necessary to boil the water, the public water system officials will notify customers that the water is safe for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, the public water system will issue a notice to customers that rescinds the boil water notice in a manner similar to this notice.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions concerning this matter, you may contact David Brem at 325-365-3116 or 325-365-3511. The situation which caused the issuance of this Boil Water Notice has been resolved, however, this boil water notice will remain in effect until it is rescinded by the City of Ballinger.
