

Boil Water Rescind Notice

On 10/13/2025, the Texas Commission on Environmental Quality (TCEQ) required our public water system City of Ballinger, PWS ID 2000001 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of 10/17/2025.

If you have questions, contact David Brem at 325-365-3116.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
